

CATS

in NEED of

BARN Homes

BARKS Animal Rescue seeks Barn Homes for cats that can't be adopted out as house-pets because they aren't socialized to people.

These less-friendly felines are your **green** solution to mouse, mole and rodent problems in Stables, Farms, Warehouses, Greenhouses, etc.

Give a kitty a chance. You'll be helping a cat that can earn its keep!

- Spayed/Neutered
- Healthy & Vaccinated
- No Adoption Fee

- Need Food & Water
- Need Warm Shelter from the Elements
